Por medio de la presente, ponemos de manifiesto nuestro genuino apoyo a la independencia del poder legislativo como herramienta fundamental en defensa de la democracia. En este sentido, sabemos del trabajo que deberán afrontar en los próximos días en las cámaras de diputados y senadores y, dada la potestad que revisten para representarnos, pedimos se manifiesten de manera pública y clara en relación a su postura y acciones a tomar.

En el contexto actual, creemos que nuestra situación laboral está negativamente afectada y que se perjudicaría aún más de confirmarse las medidas a tratarse en la **nueva versión de la Ley de Bases en el Congreso de la Nación**. Consideramos que es importante conocer de antemano si apoyarán o no las

medidas de carácter legislativas emanadas del presidente. **Queremos contar con su apoyo en defensa de los intereses genuinos de sus representados.**

Esperamos que cada uno de los representantes mencionados anteriormente expresen su postura y **nos comprometemos a hacer un seguimiento y difundir públicamente dicha manifestación para acompañarlos activamente en su trabajo y juntos defender el sistema democrático.**

Asimismo, los invitamos a actuar en defensa de los siguientes ítems que consideramos indispensables para el desarrollo de nuestro país:

- A favor de la actualización del presupuesto universitario, de ciencia técnica y educación pública.
- En defensa de la preservación y fortalecimiento del sistema de ciencia y técnica.
- A favor del fortalecimiento del sistema de salud público.
- En defensa de la cultura y sus instituciones.
- A favor de la defensa de las empresas tecnológicas nacionales por encima de las empresas extranjeras.
- A favor de priorizar el rol estratégico de las empresas nacionales y la no privatización de ellas.
- En defensa de la soberanía del sistema científico, tecnológico y educativo.
